

# PREP VISION SCREENING

Each year, Park Ridge State School undertakes a Vision Screening Program with the Preps.

During Semester 1, Lisa Ferguson (our health nurse) comes to our school to carry out these screeners.

Consent forms are usually sent home to parents, prior to the vision screening. In 2022, PREP parents will be able to complete these consent forms easily online. Information and links to the consent forms will be distributed to parents next year.

Lisa Ferguson has supplied a [PowerPoint](#) resource for interested parents.
